Winter / Spring Session is coming...

As the economy faces challenging times, we are more careful about how and for whom we spend our money. Tangible goods lose their luster; the intangibles, like education, continue to be important. Educating our children is usually at the top of our list. At Mill Creek Academy, we are proud to offer programs that you can trust, taught by hand-picked faculty members. We hope you will join us this Winter/Spring for a session loaded with potential for your children.
