AP Spring Boot Camp Session is coming...

AP tests are administered in May and with the complexity and quantity of information on these AP tests, we are offering support to help your child with their test preparation. Instructing curriculum, reviewing content, discussing tips and techniques, your child will have an opportunity to practice and review AP material to maximize their potential. **Our AP teaching faculty has successfully helped hundreds of students achieve passing scores on their tests.** We hope you will join us for our AP Boot Camp Session this Spring!

Sincerely,
Joyce Wong
Director
