## 2018 Summer Session

Classes meet June 18, 2018 – July 16, 2018  
(No class on July 4, 2018)

Dear Parents,

Summer is the best time to prepare your child for the next school year. At Mill Creek Academy, we have created summer packages that will occupy your child all morning, mid-afternoon, or late afternoon with stimulating academics. Our packages include a mix of English, Math, Science, Public Speaking, and Foreign Language. Please check out these summer packages or individual class selections for the elementary, junior high, and high school students.

You can enroll for individual classes or for one of our summer packages. Each package has a name so we can keep them straight! Note that we have a color key on our GRID version for your convenience. This version will allow you to see what class options you have by grade levels.

Sincerely,

Dear Parents,

Summer is the BEST time to engage your child in reading for FUN. We are excited to offer book club discussions facilitated by our talented faculty team.

### Here are 6 reasons to join Mill Creek Academy's Summer Book Club!

1. Book clubs encourage children to read for fun while offering them an opportunity to make deeper connections in their literature text.
2. With every turn of a page in a book, our book club will facilitate comprehension, encourage predictions, make inferences, and provide literacy models for children when they read on their own.
3. Our discussions will support children in using their language skills to analyze text while practicing the art of reading between the lines.
4. In every book club discussion, when your children speak, they will learn to articulate their thoughts while also developing active listening skills when they listen and consider the perspective of other members in the club.
5. Book clubs create a positive environment where literature is celebrated.
6. We will be adding a **non-fiction element** to each book club as the Common Core focus is about making those connections.

We hope your child will join us in a riveting book discussion.

Sincerely,

**Joyce Wong, Director**
