## 2019 Summer Session

Classes meet June 17, 2019 – July 16, 2019  
(No class on July 4, 2019)

Dear Parents,

Summer is the best time to prepare your child for the next school year. At Mill Creek Academy, we have created summer packages that will occupy your child all morning, mid-afternoon, or late afternoon with stimulating academics. Our packages include a mix of English, Math, Science, Public Speaking, and Foreign Language. Please check out these summer packages or individual class selections for the elementary, junior high, and high school students.

You can enroll for individual classes or for one of our summer packages. Each package has a name so we can keep them straight! Note that we have a color key on our GRID version for your convenience. This version will allow you to see what class options you have by grade levels.

Sincerely,  
**Joyce Wong, Director**
