## 2020 SUMMER SESSION COURSE PACKAGES

Summer is the best time to prepare your child for the next school year. At Mill Creek Academy, we have created summer packages that will occupy your child all morning, mid-afternoon, or late afternoon with stimulating academics. Our packages include a mix of English, Math, Science, Public Speaking, Foreign Language, and SAT Subject Preparation. Please check out these **suggested** summer packages for the elementary, junior high, and high school students.

### Important reminders:

- Please note that the summer package name has nothing to do with the content of the course materials. Each summer package is identified with a name so we can keep them straight!
- Note that we have a color key on our GRID version for your convenience. This version will allow you to see what other class options you have by matching the colors to grade levels.
- You can enroll online through our website.
- Each course is \$625. If you sign up for a package with three classes, we will take 5% off the third class.
- Please also note that we can customize a package for you based upon your needs. Individual class selections are also an option.
- You will want to enroll for the grade level your child will enter in Fall 2020.
