### Winter Session is Coming...

Let this be your child's opportunity to start the New Year with confidence in their academics. At Mill Creek Academy, we recognize that your time and resources are valuable. Tangible goods lose their luster; the intangibles, like education, continue to be important. Educating our children is usually at the top of our list. At Mill Creek Academy, we are proud to offer programs that you can trust, taught by hand-picked faculty members. We hope you will join us this Winter for a session loaded with potential for your children.
