

SENIOR SUCCESS PACKAGE

Supporting all of your needs throughout the college admissions process

COLLEGE SUPPORT IS HERE!

The **Senior Success Package** is designed for the student who needs help with the execution of the college applications. Our goal is to provide the student with confidence and encouragement that they will succeed and make it through the application process.

Our consultants' job is to create a space for concrete discussions about how to showcase the student's best application profile.

*Sincerely,
Joyce Wong, Director*

TUITION & POLICIES

The best time to reserve a spot for this comprehensive package is Spring before Senior year. Space is limited.

The program typically begins as early as mid-May of Junior Year, and runs through the Senior Year application submission process. Should students enroll late, the consultant makes sure to catch up on meeting content. Meetings are typically 45-60 minutes.

The Package rate starts at \$6,700 + potential supplemental essay fee, if applicable. Tuition due prior to start of services (cash or check only).

NEXT STEPS

We offer a complimentary 20-minute consultation meeting to learn more about our college admissions planning process. The meeting is a time for the consultant and family to meet so that both parties can be sure the relationship is a good fit.

Fill out an online registration form and the office will contact you to set up a 20-minute meeting.
